COMMUNICATION MEANS
SPEAK ENGLISH, GO GLOBAL

CORPORATE ENGLISH TRAINING · CASABLANCA

Speak English, *Go Global.*

OUR PHILOSOPHY

English is a means, not the destination.

Fluency isn't memorised — it is acquired. Through real conversation, inductive grammar and steady exposure, our learners use English until confidence becomes a natural side-effect. No shortcuts, no illusions: just a process you enjoy.

Tailored delivery

PROGRAMMES

Training built around real situations.

01 General English

Everyday fluency, speaking confidence and practical grammar.

02 Business English

Meetings, negotiations, presentations and workplace English.

03 Professional Communication

Clear emails, reports and client calls — written and spoken.

04 English for Specific Purposes

Sector vocabulary for finance, engineering, healthcare, hospitality.

05 IELTS · TOEIC · TOEFL

Structured exam preparation, practice and targeted feedback.

06 Self-Study Toolkits

Guided material to practise between live sessions.

FOR ORGANISATIONS

How corporate programmes work

1. Level assessment (CEFR A1–C2)
2. Tailored programme design
3. Flexible scheduling, online or on-site
4. Progress reporting for HR & managers
